HCPD:

Please find attached my affidavit of the harassment and attack against me, on December 4<sup>th</sup>, 2022, by three members of the alleged HCGOP. I have attempted to file a police report three times online and would always come back as “Not Our Jurisdiction.”

I have a four-page affidavit to submit with all the details of the incident on December 4th, 2022. The "Narrative" doesn't allow space for all details. Three men, Mr. Robert Visconti, Mr. Michael Connett, and Mr. Gerald Shea, approached me in my vehicle at a function at The Boathouse. After trying to get away from them, all three men attempted to block me in the Four Points by Sheraton parking lot with their vehicles. After I was able to get away from two of the vehicles that were attempting to block me in front of my car, I took off down Fantasy Boulevard to get away. Mr. Visconti followed me again, jumped out of his car at a stoplight, and pounded on the hood of my car while attempting to take pictures of me. Within minutes after getting away from Mr. Visconti, Mr. Shea pulled up to my car, also, at the next stop light, and attempted to block me again. I got away from Mr. Shea and got his license plate number. Mr. Shea then took off. After calling the police, they asked me if I could get to a safe place. I stopped at Circle K and waited for the police. Two associates also met me and the police at Circle K, because they knew who it was who was coming after me. I stated that I wanted to go to the police department to file a report, but was told that it would be better if I went online to file a report. The police then left after giving me a card with the name and number of "R. Graham, #619." My associates and I then went to Four Points by Sheraton to request their video surveillance that will show the three men in their cars attempting to block me in the parking lot. We went to The Boathouse to ask for video surveillance and were told their cameras weren't working. I have attempted to file a police report online five times, but it kept coming back saying "Not Our Jurisdiction." It was the Horry County Police Department of the South Precinct officer that gave me his card, so it has to be your jurisdiction. I was terrified and feared for my life.
